## Whom is the project aimed to?

The European desk “Migrant Woman” is aimed to those migrant women who are in one of the partner countries of the project S.E.T.U.P (Italy, Germany, Spain, Sweden) and that are in need of information and counseling so that they can use the resources and services of the territory and that live troubled personal, familiar, working or relational situations.

## Which services does it offer?

The European Desk “Migrant Woman” freely offers the next services:

- hosting and counseling services;
- accompanying services;
- legal advice;
- psychological advice within the next areas:  
family, school, job, health;
- socialization activities;
- linguistic and cultural mediation services.

## Where is it?

The European Desk will be available **AT THE SAME TIME** in four European countries for a whole period of six months.

**Italy:** Firenze e Vibo Valentia

**Germany:** Lipsia

**Spain:** Jerez de la Frontera

**Sweden:** Stockholm

The places and opening timetables will be available soon in our partners' WebPages

## Which is the goal of the project?

Protect women from third countries through a project aimed at enhancing the international network, starting from a bigger awareness of the needs of the migrant women and the territorial resources.

Through the European Desk “Migrant Woman”, S.E.T.U.P pretends to encourage integration and promote an interdisciplinary approach focused on the cultural differences and enriched by the good practices that will be taken on the European context.
